SUMMARY

Experienced frontend developer with a passion for creating engaging user experiences. Skilled in HTML, CSS, JavaScript, and frameworks like React and Angular.js. Seeking a challenging role where I can contribute my expertise to build innovative and user-friendly web applications.

WORK EXPERIENCE

Software Engineer, Walking Tree Technologies   **Jun 2024 - Jul 2024**

- Successfully adapted to a new work environment, quickly learning and applying company-specific Angular best practices, including custom directives, state management with NgRx, RxJS for reactive programming, and Angular CLI for project automation.
- Worked closely with cross-functional teams including designers, backend developers, and QA engineers to deliver high-quality, scalable web applications, ensuring seamless integration and optimal performance.

Programmer Analyst, Cognizant Technology Solutions   **Nov 2021 - Mar 2024**

- Designed and built dynamic web applications using Angular, implementing key features such as routing, forms, and component-based architecture to ensure high performance and user-friendly interfaces.
- Integrated and managed RESTful APIs for seamless communication with backend services, utilizing Angular services and HTTP client modules for efficient data handling.
- Enhanced application performance by employing Angular features like lazy loading, AOT compilation, and optimized change detection strategies, resulting in faster load times and improved user experience.

EDUCATION

B.E, UIET, Panjab University   **Aug 2017 - Jul 2021**

University Institute of Engineering and Technology
- Specialization in Electronics and Communication Engineering
- Thesis on "Innovations in Sustainable Engineering Practices".

ADDITIONAL INFORMATION

- **Technical Skills:** HTML, CSS, Javascript, Typescript, AJAX, Angular, C++, Python, Object Oriented Programming, Data Structures and Algorithms, MySQL, Git, GitHub, Bootstrap, React, VS Code
- **Languages:** English, Hindi
- **Soft Skills:** Observation, Decision Making, Communication, Multi-tasking
